TI.21.B.1

## SOAL

1. Buat program dengan javascript untuk menampilkan bentuk bintang seperti dibawah ini

```
*****  
****  
***  
**  
*
```

## JAWABAN

The screenshot shows the Chrome DevTools Console with the following JavaScript code and its output:

```
> for (let i = 5; i >= 1; i--) {  
  let stars = '';  
  
  for (let j = 1; j <= i; j++) {  
    stars += '*';  
  }  
  
  console.log(stars);  
}
```

The output in the console is:

```
*****  
****  
***  
**  
*  
undefined
```
